JIMMY DING
JIA KANG

Computer Science Student

OBJECTIVE

A driven and results-oriented individual seeking an internship to apply my abilities to tackle real-world challenges. I am driven to leverage this opportunity to polish problem-solving and analytical skills while gaining invaluable experience from professionals.

EXTRACURRICULAR EXPERIENCE

Committee Member, Love Exibition   **December 2023**

- Organised Interaction Day for the 80 recruited helpers for the event
- Organised helper recruitment which successfully attracted over 90 applicants

Game development in Godot   **2023**

- Developed a game with the Godot game engine by reading documentation and using reusable assets

Quiz website   **2023**

- Developed quiz website aimed for students from scratch using HTML, CSS, Javascript, and PHP.

AWARDS AND ACHIEVEMENTS

- President's List
- Recipient of China Ambassador Scholarship
